## BIOSTIMULANT SEED TREATMENT

Peptide based cereal and pulse seed treatment.  
PRODUCT APPROVED FOR USE IN ORGANIC SYSTEMS

### SAFETY INFORMATION

Dispose of contents/container to a licensed hazardous waste disposal contractor or collection site except for triple rinsed empty containers which can be disposed of as non-hazardous waste.

For Safety Data Sheet relating to this product please contact your supplier or Nichino Europe Co., Ltd.

**To avoid risks to human health and the environment, comply with the instructions for use.**

**Newton is formulated to stimulate root and shoot growth in cereal crops to improve establishment and promote crop development.**

### DIRECTIONS FOR USE

**Shake well before use.**

Apply Newton through a conventional seed treater suitable for handling liquids. Seed should be of good quality and moisture content. Do not apply Newton to cracked, split or sprouted seed. Always re-calibrate your seed drill with treated seed before drilling. If required, Newton may be watered down to aid application.

### Compatibility:

Newton is compatible with a range of seed treatments when applied together, however please contact Nichino Europe Co., Ltd. for details.

### Crop Recommendations:

Apply Newton on cereals at 1 litre per tonne of seed. Please consult Nichino Europe Co., Ltd. or its agents for further details, a full list of crops and for specific recommendations.

### COMPANY ADVISORY INFORMATION

#### Conditions of supply

All goods supplied by us are of high grade and we believe them to be suitable but as we cannot exercise control over their storage, handling, mixing or use, or the weather conditions before, during and after application, which may affect the performance of the goods, all conditions and warranties, statutory or otherwise, as to the quality of fitness for any purpose of our goods are excluded, and no responsibility will be accepted by us or re-sellers for any failure in performance damage or injury whatsoever arising from their storage, handling, application or use. These conditions cannot be varied by our staff or agents whether or not they supervise or assist in the use of such goods.

Newton is a registered trademark of Nichino Europe Co., Ltd.

### SAFETY PRECAUTIONS

#### Operator protection

Consult the Safety Data Sheet for details on the personal protective equipment required for handling this product. Wear any personal protective equipment specified in the conditions of use of any additional partner products used with Newton. Follow all operator exposure instructions for the partner products.

#### Environmental protection

Do not contaminate water with the product or its container. Do not clean application equipment near surface water. Avoid contamination via drains from farmyards and roads.

#### Storage and disposal

Keep out of reach of children. Keep away from food, drink and animal feeding stuffs. KEEP IN ORIGINAL CONTAINER, tightly closed, in a safe place. WASH OUT CONTAINER THOROUGHLY, and dispose of safely. DO NOT RE-USE CONTAINER FOR ANY OTHER PURPOSE.
